

Pearson BTEC Level 4 Certificate in Education and Training (QCF)

The Level 4 Certificate in Education and Training has been designed to prepare trainee teacher to teach in a wide range of contexts and develop practical teaching skills.

Designed to meet the needs of a range of trainee teachers:

- Individuals who are currently teaching and training, including those who have just begun teaching and training, and who can meet the practice requirements, including the observed and assessed practice requirements
- Individuals currently working as assessors who wish to achieve a teaching qualification

*it is possible for individuals who are not currently teaching and training to complete this course. Please speak to us to discuss your options.

Topics are practical and include:

- The delivery of teaching or training
- Planning to meet the needs of learners
- Assessing learners
- Using resources in education in training

There is also a range of optional units available to meet your individual requirements that compliment these core topics

Progression opportunities through BTEC qualifications

Learners who have achieved the Pearson BTEC Level 4 Certificate in Education and Training (QCF) can go on to achieve the Pearson BTEC Level 5 Diploma in Education and Training (QCF).
